SCHOOL REPORT

M.R international was established in 2009 with a clear vision and the mission to train the young mind for the bright future of the country. Apart from preparing the children for purely academic demands, special efforts are being made continuously to enable them to face the challenges of the competitive world.

This session is full of new challenges. Schools are shifted to online mode due to the burst of covid-19. Students are studying online which is not easy for them and some students not taking this mode seriously. Continuously sitting at home has made them little bit careless toward study. So it is a hard time for teachers they need to teach academics as well as solving student's behavioral problem also. As teachers are also learners, our teachers keep updating themselves to enhance their skills. During pandemic, our teachers attended various online training programmes and workshops which helped them to lay with the changing perspective of education.

It is a matter of great importance to us that the student who pass out from our portals carried away the values they have inherited from our institute. I feel proud that every year many students from our school are selected in IIT, MBBS & BDS. Excellence in academic is the hallmark of a good institution. Our X and XII classes result are always excellent and many students bring glory for school by performing excellently in board Exams. In this session also our students of XII and X class passed with flying colors. The credit of excellent performance goes to our efficient teachers, laborious students and dedicated parents. We can congratulate our students for their outstanding performance and extend warm wishes for their bright future. Our one student Ravleen is Selected in MBBS Course in BHU.
